

What's Cooking? - Second Kaggle Competition

What's Cooking will be your second project for the Fundamentals of Data Science Course. Here are the details for the project.

Link: <https://www.kaggle.com/c/whats-cooking>

Submission Deadline: Before 7 December 2015 (6 December 23:59:59)

What you should submit?

1. One page describing your solution, giving detailed description of the method you used to solve the project. This one page should include your name, matricola, previous department, Kaggle username, and also score given by Kaggle for this project.
2. All python scripts
3. Sent all of these files to **fds2015lab@gmail.com** before the deadline.

Good Luck :) :) :)
